

# *Call of the Heart*

wisdom for change

## Prayer to the Mother for World Peace

Mother of Light, Mother of hearts

Awaken in me, awaken in all that is past

Dissolve the hatred

Build truth based on love

Strengthen visions of light

Dissolve the glammers that are dark

Hear me now, and come to our aid

The Earth and humanity need your care

Mother of Light, Mother of hearts

Awaken in all, the peace that will last!
